

connection_verify_payload

```
graph LR; A[connection_verify_payload] --> B[util_memsearch]
```

A flow diagram consisting of two rectangular boxes. The left box is shaded gray and contains the text 'connection_verify_payload'. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'util_memsearch'.

util_memsearch
