

connection_verify_payload

```
graph LR; A[connection_verify_payload] --> B[util_memsearch]
```

A diagram showing a horizontal flow from left to right. On the left is a gray rectangular box with a black border containing the text 'connection_verify_payload'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box with a black border on the right, which contains the text 'util_memsearch'.

util_memsearch
