

connection_consume
_copy_op

```
graph LR; A[connection_consume_copy_op] --> B[util_memsearch]
```

A diagram showing a call from a function to another. On the left, a gray rectangular box contains the text 'connection_consume' on the top line and '_copy_op' on the bottom line. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'util_memsearch'.

util_memsearch
